INTERNATIONAL FISHERIES EXHIBITION TO BE HELD AT ST. PETERSBURG IN 1902.

IMPERIAL CONSULATE OF RUSSIA IN CANADA,
Montreal, 17th September, 1901.

His Honour The Lieutenant-Governor:

SIR,—I have the honour to inform Your Excellency that the Russian Imperial Society of Pisciculture and Fisheries has been authorised by His Majesty the Emperor, my August Master, to organise at St. Petersburg in the months of February and March, 1902, an International Exhibition of Fisheries, during which time an International Congress of Fisheries will be held in the same town.

The Exhibition, as well as the Congress, are under the high patronage of His Imperial Highness the Grand Duke Serge of Russia.

I have already had occasion, a few days ago, to transmit to the Federal Government the invitation of the organising committee of said Exhibition to participate in said Exhibition, and to send a special delegate to the Congress above mentioned.

Nevertheless, it would be, in my opinion, in the interest of the enterprise to make known to the clubs interested of the Province of British Columbia the desire of the organising committee to see represented there all countries, as well as all branches of the industry in question.

With these conditions I would be very grateful if Your Excellency would think it opportune to take the necessary steps to make known to the interested clubs of the Province under your administration the facts which I have now presented to Your Excellency.

I pray you, Mr. the Lieutenant-Governor, to accept the assurance of my very high and perfect consideration.

N. DE STRUVE,
*Counsellor of State,
Consul Imperial of Russia.*

*To His Excellency
Sir Henri Joly de Lotbiniere, &c., &c., &c.,
at Victoria.*

IMPERIAL CONSULATE OF RUSSIA IN CANADA.

Montreal, the 21st September, 1901.

His Honour the Lieutenant-Governor:

Referring to my letter, dated 17th instant, relative to the International Exhibition of Fisheries, I have the honour to transmit herewith to Your Excellency a copy of the declaration to take part in said Exhibition, as well as a copy of a pamphlet containing the general regulations referring to said Exhibition.

I pray Your Excellency will be pleased to accept the assurance of my very high and perfect consideration.

N. DE STRUVE,
Imperial Consul.

*To His Excellency
Sir Henry Joly de Lotbiniere, &c., &c., &c.,
at Victoria, B.C.*

With regard to the invitation conveyed in the letter of the Imperial Russian Consul, Mr. de Struve, under date of the 29th of October, intimates that the time for the presentation of applications for space, required by section 2 of the Regulations, has been extended until the 15th of December and even, if it be necessary, until the opening of the said Exhibition, which has been definitely fixed for the 26th of January, 1902.

Applications should be presented in duplicate and addressed in the name of the Executive Committee of the International Exhibition of Fisheries at St. Petersburg, 1902 (13, Bolshaya Konushennaya, St. Petersburg, Russia).

Intending exhibitors are notified that a copy of the Rules and Regulations of the International Exhibition of Fisheries, and of the International Fisheries Congress, can be seen, and copies of the form of invoice and of the printed labels to be affixed to the packages containing the exhibits can be obtained at this office.

J. D. PRENTICE,
Acting Provincial Secretary.

PROVINCIAL PARLIAMENT.**PRIVATE BILLS.****EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.****RULE 59.**

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (see Journals, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.
